Supervisor Antonovich made the following statement:

“During the month of May many Los Angeles County residents will begin riding motorcycles as spring and summer arrive. As motorcycle traffic increases, motorists need to be aware of their presence on all roadways throughout Los Angeles County. Motorcycles are small and motorists need to be aware of their presence as 80 percent of accidents between motorcycles and automobiles stem from automobiles being at fault. It is important that the citizens of Los Angeles County be aware of motorcycles on the streets and highways and recognize the importance of motorcycle safety.”

Therefore, on motion of Supervisor Antonovich, seconded by Supervisor Molina, unanimously carried, the Board proclaimed May 2003 as "Motorcycle Awareness Month" throughout Los Angeles County.
